### Welcome to BDI.

BDI Securities Limited is a family-owned and run business established in 1995 and is proud member of The British Security Industry Association (BSIA) and are a Security Industry Authority (SIA) Approved Contractor with all staff holding the necessary SIA license to work in the Cash in Transit Industry.

Operating from Depots in North London and Birmingham the company is built around the principles of – integrity, vigilance, and flexibility. It is this philosophy which has helped build BDI's first-class reputation.

Across the UK, we are one of the leading providers of cash and transaction management solutions. We offer services tailored to fit the needs of companies of all sizes, including those requiring cash collection services.

We understand businesses come in all different shapes and sizes with individual cash management needs. Whether it's just a stand-alone cash collection or a full cash management solution, our team of experts can produce an innovative,

cost-effective, and specialised solution to meet your specific needs.

### Who is it for?

For retailers, casinos, pawnbrokers, cash and carry's, airport concessions, and other businesses that require cash collection services. BDI has the expertise, knowledge, and resources to manage every aspect of the process. Our bespoke logistics solutions offer reliable, safe, and efficient transportation of cash, bullion, documents, and other valuable assets.

At BDI, we understand the importance of timely, regular collections and deliveries of notes, coins, and floats. That is why BDI offer specialised services to meet your cash collection needs. Our trained staff will count and validate all collected monies, ensuring the process is professional, reliable, and efficient.

BDI's coin management capabilities include the ability to monitor and control the circulation of coins in your business. It offers a very comprehensive solution for managing your coin handling and secure storage, as well as analysing coin usage.

Our cash processing service is designed to get your money processed, validated, and banked fast, saving you time, money, and resources. Our team of highly trained cash management experts will oversee every aspect of the process with professionalism and care, ensuring that funds are counted, validated, and delivered to the bank within agreed time frame.

For 'Cash-in-Transit' services BDI is committed to providing an efficient and secure service for all types of businesses. This service ensures the secure and reliable collection and transportation of your cash. Your cash is fully insured and liability transfers to BDI from the point of collection until it reaches your bank account. As part of our commitment to ensure the safety and security of your cash, we make use of state-of-the-art technology, including vehicle GPS satellite tracking, dash cam vehicle monitoring, an extensive depot-based CCTV camera and alarm system. We also provide a full audit trail from point of collection to deposit into your account.
